Example of social impact after deploying the technology

The image features a light gray background with a series of concentric circles on the right side. The circles are centered and have varying diameters. The word "Demo" is written in a large, black, sans-serif font across the middle of the circles. On the left side, there are several overlapping geometric shapes, including triangles and rectangles, in shades of blue and dark gray. The shapes are arranged in a way that they appear to be layered, with some shapes partially obscuring others. The overall composition is modern and minimalist.
